STEP 1

You (applicant) do

Confirm that you have received “**Buustietuus**” from TE-services (= you are eligible for our free consultancy)

Expected outcome

Ready to start!

STEP 2

You (applicant) do

Contact Mikko via e-mail or phone (044-0321297) to discuss what is the right service for you / your business

Expected outcome

Your personal consultant selected and 1st meeting agreed

STEP 3

You (applicant) do

Fill-in received (by TE-service) survey(s) after first consultancy meeting

Expected outcome

First meeting. Progress & quality report sent to TE-service

STEP 4

You (applicant) do

Continue with selected consultant to work on agreed tasks, 1-to-1 sparrings and meetings

Expected outcome

Finalize agreed deliverables (documents)

STEP 5

You (applicant) do

Finalize the consultancy and plan for next possible steps. Fill final TE-service survey

Expected outcome

Agreed steps concluded and final report sent to TE-service

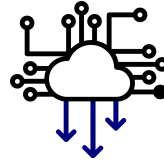

WE OFFER THREE DIFFERENT SERVICES

Service and product concepting, business idea development

Service gives customer e.g. a document to further develop his/her business and valuable sparring for taking the business to the next level.

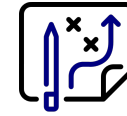

→ Service after starting the company, but max 12 months old companies

Technology and expert-based business development

Improve customer own product- / business idea and business competence. Co-creation of “Business roadmap” how to proceed.

→ Service before starting the company

Business plan, financial plan and funding

In collaboration mode create business plan with financial calculations. Concrete advise for developing your business.

→ Service before starting the company
